

NHS Underserved Groups Round Tables

Have Your Voice Heard

NHS England North West will be hosting a series of round table meetings open to all colleagues from underserved groups and from any NHS organisation across the region.

The aim of the round table meetings will be to provide a safe space for colleagues with shared lived experience to voice their concerns, experiences and ideas for development of our workplaces and organisations directly to senior leaders from NHS England Northwest.

Each meeting will be chaired by an NHS England North West senior leader with support from EDI professional colleagues. Following each meeting themes and key concerns will be taken away to ensure our work is meeting the needs of all our NHS people.

Round Tables will run via MS Teams for 1 hour

Round Table Meeting Dates

BAME Colleagues	Disabled Colleagues	LGBTQ+ Colleagues
1 st September 1.30pm	1 st September 1.30pm	1 st September 1.30pm
